NORTH AMERICAN INDUSTRY CLASSIFICATION SYSTEM (NAICS) CODES

The integration of NAICS codes requires corporations to pick their main revenue-generating business activity. Active corporations that file their T2 returns either by Internet or on paper using 2D bar codes must choose the most appropriate code to describe their main revenue-generating business activity.

It is crucial that the most accurate business activity is selected the first time (using the keyword NAICS.ACT in the ACTIVITY keyword group), since the first year's code is carried forward to subsequent years, allowing for a simple validation of the description when no change in the main business activity occurs.

Therefore, for subsequent years, the corporation should validate that the business description chosen for the last return filed is still accurate. If the last business description is still accurate, no further action will be required. The return may be transmitted electronically or printed in barcode format.

If the last business description is not accurate, the corporation must select an updated business activity description.

Should you have any questions to describe your active corporation's main revenue-generating business activity when filing your T2 return, please call the CRA Business Enquiries line at 1-800-959-5525.

FEDERAL CORPORATION INTERNET FILING

Corporations can sign up for "Email notifications" when filing their T2 return through the Internet. **The ability to register for "Email notifications" is only applicable for initial assessments (IAS). The service cannot be updated when a corporation is submitting a reassessment.**

If you register, the Canada Revenue Agency will send you an email when changes to the account have been made, or when eligible notices, letters, or statements are available for viewing in My Business Account (**separate registration is required**). The Canada Revenue Agency will not send these eligible notices, letters, or statements to you through Canada Post.

To view CRA mail online, you must be registered for My Business Account, or if you are a representative then you must be registered for Represent a Client and be authorized on this account. All CRA mail available in My Business Account will be presumed to have been received on the date that the email notification is sent. Any mail that is eligible for electronic delivery will no longer be printed and mailed.

CRA email notifications are subject to the terms of any agreement with your mobile carrier or Internet Service Provider. You are responsible for any fees imposed by them.

You accept this risk and acknowledge that the CRA will not be liable if you are unable to access or receive the email notifications, nor for any delay or inability to deliver notifications.

These terms of use may be changed from time to time. The CRA will provide notice in advance of the effective date of the new terms. Assembling the federal T2 tax return when Corporation Internet Filing

If a corporation income tax return is being transmitted electronically by someone other than the required filer, an authorized signing officer of the corporation must complete and sign Form T183COPR before the tax return is transmitted.

The amounts entered on Form T183COPR must match the amounts on the electronically filed return. Do not submit the form unless it is requested by CRA. Keep a copy for your records.

A signed Business consent/Cancel business consent confirmation page should also be retained for your records when electronically submitting this request.

Order of attachments:

- Other attachments

This includes forms, eligibility certificates and other certificates or attestations which are not transmitted for Corporation Internet Filing.

If you have an election that applies to the return that is being filed:

- When an election applies, and there is no authorized form for the election, enter the election details in notes to the financial statements (line 100-0001 on the General Index of Financial Information). When there is an authorized election form, such as Form T2054, *Election for a Capital Dividend under Subsection 83(2)*, submit a paper copy of the form separately.

Slips, receipts, and documents

After the return has been processed, you may be contacted to obtain supporting documents, so remember to keep your receipts and information slips for at least six years. This is part of the same verification process that applies to all tax returns, whether paper or electronic.

Refunds

Refunds for returns filed using the Corporation Internet Filing service will be issued by cheque or by direct deposit.

Balance due

If the corporation's balance owing is less than \$2, you do not have to make a payment. If you have to make a payment to the CRA, a number of options exist.

- **Pay electronically**

Many financial institutions let you conveniently pay your business taxes through their telephone and Internet banking services.

- **Pay at your financial institution**

You can make your payment at your financial institution in Canada, free of charge. Enter your payment amount on a Remittance Voucher, and take this form with you to your financial institution when you make your payment.

This form serves as a federal, provincial, and territorial corporation income tax return, unless the corporation is located in Quebec or Alberta. If the corporation is located in one of these provinces, you have to file a separate provincial corporation return. A shorter version of the return, the T2SHORT, is available for eligible corporations.

All legislative references on this return are to the federal Income Tax Act and Income Tax Regulations. This return may contain changes that had not yet become law at the time of publication.

Send one completed copy of this return, including schedules and the General Index of Financial Information (GIFI), to your tax centre. You have to file the return within six months after the end of the corporation's tax year.

For more information see canada.ca/taxes or Guide T4012, T2 Corporation – Income Tax Guide.
